## Sarah Rockwell Kicks Off New Dinner Program for ULI Colorado

**09.12.17**

ULI Colorado is pleased to announce Boardroom After Dark – a series of intimate dinner gatherings bringing a small group of ULI members together with some of Colorado’s most dynamic and engaging real estate leaders.

ULI Colorado's first Boardroom After Dark program will feature a conversation between Firm Partner Sarah Rockwell and Mary Sullivan (one of the most successful woman commercial real estate brokers in Denver’s history, formerly with HFF).

This is a unique opportunity to get up-close-and-personal with some of the real estate professionals who are making things happen in the Mile High City and beyond. The conversations will explore how they are changing the public engagement process, raising capital, and creatively adapting existing spaces. Career paths and personal anecdotes that have contributed (or not) to their success will be another topic of discussion.
