

KAPLAN KIRSCH ROCKWELL

Peter Kirsch to Participate on Noise Issue Panels

08.18.16

On October 17, 2016, Peter Kirsch will participate on two panel sessions at the AAAE/ACI-NA Airport Noise Conference. The first panel will focus on Congressional updates from the past year, including the FAA Reauthorization, noise bills and amendments, NextGen/PBN implementation, and community and stakeholder engagements. The second panel will be an open discussion on updates to noise research. Please visit AAAE's website for additional information regarding this conference.
