## Peter Kirsch Presents on Noise Issue Panels

### *AAAE/ACI-NA Airport Noise Conference*

**10.17.16**

On October 17, 2016, Peter Kirsch presented on two panel sessions at the AAAE/ACI-NA Airport Noise Conference. The first panel focused on Congressional updates from the past year, including the FAA Reauthorization, noise bills and amendments; NextGen/PBN implementation; and community and stakeholder engagements. The second panel was an open discussion on updates to noise research.
