

KAPLAN KIRSCH ROCKWELL

Peter Kirsch Presents on Non-Aeronautical Revenue Airport Projects

ACC Institute

02.14.19

On Thursday, February 14, 2019, Peter Kirsch was part of a webinar panel speaking on non-aeronautical revenue projects at airports. This ACC training focused on how U.S. airports can help fund capital improvements by converting land over to non-aeronautical uses, such as commercial development.
