Peter Kirsch Speaks on Transportation Innovation

Bicycle Colorado

02.07.19

On February 7, 2019, Peter Kirsch spoke at Bicycle Colorado's Moving People Forward—an annual conference that brings together 250 thought leaders, innovators, decision makers, business leaders, and stakeholders to explore the trends, topics, and technology at the forefront of the mobility revolution. Smart cities, flying taxis, and hyperloop are all being discussed as the future of urban areas.

Panel Moderator: Tom Clark | former CEO of Metro Denver Economic Development Corporation
Panelists: Peter Kirsch | Kaplan Kirsch & Rockwell and Dr. Anita Sengupta | Airspace Experience Technologies
