## Sara Mogharabi Presents Webinar on PFAS Investigations Hosted by Airport Consultants Council

**10.02.20**

On Thursday, October 8, Sara Mogharabi will co-present a webinar entitled, “PFAS Investigation 201,” hosted by the Airport Consultants Council (ACC). The panel will provide guidance on key topics associated with PFAS investigations at airports, including: evolving regulatory issues, what airports can do to limit liability, best practices for public outreach and education, and PFAS assessment approaches and remediation techniques.
