Matthew Adams Presents Webinar on Integrating New Definitions for Key Language in the NEPA–Section 106 Process

11.17.20

On Thursday, November 19, Matthew Adams will co-present a webinar titled, “Modernizing’ the NEPA Process or Returning to the Stone Age? Integrating New Definitions for Key Language in the NEPA - Section 106 Process.” The webinar will be hosted by the National Association of Environmental Professional (NAEP) and the American Cultural Resources Association (ACRA). This joint NAEP–ACRA webinar brings together cultural heritage and NEPA practitioners and attorneys to unpack the new NEPA definitions of Direct and Indirect Impacts and Effects and discuss how these changes affect cultural resources review under Section 106 and NEPA.
