Firm Attorneys Co-Author Finance Assessment and Options for AAE Airport Consortium on Customer Trust

05.13.21

We are proud to have co-authored the recently released “Finance Assessment and Options” paper prepared for the American Association of Airport Executive's Airport Consortium on Customer Trust. The paper discusses options for airports to diversify their funding and creative approaches to resiliency in light of the economic impacts of the pandemic. [Click here for the publication](#) or contact David Bannard or Peter Kirsch for more information.
