

KAPLAN KIRSCH ROCKWELL

Greenland Ranch

Kaplan Kirsch & Rockwell attorneys represented the owner of the Greenland Ranch in an update and consolidation of several conservation easements that were subsequently transferred to the Colorado Cattlemen's Agricultural Land Trust. The Greenland Ranch is a significant portion of the open and green space between the Denver and Colorado Springs metropolitan areas, and was originally conserved in the year 2000. The attorneys at Kaplan Kirsch & Rockwell drew on their years of experience to assist the landowner with the complicated task of updating and consolidating several conservation easements, resulting in strengthening the protection of this magnificent landscape.
