CAN YOU HEAR ME NOW?

Ensuring Your Voice is Heard on NextGen, Metroplex and Noise Issues

Peter J. Kirsch
May 18, 2016

Kaplan Kirsch Rockwell
4 things we know
OK, we know that, so where do we start
Aviation Impact Reform
Data & Analysis — Empowering those who seek transparency, accountability and reform at FAA.

Sky Posse Palo Alto
Lets get equity in the Metroplex!
Measuring noise

- DNL
- $L_{\text{max}}$
- SEL
- TA
- Number of events
- Community tolerance level (CTL)
- Real estate tolerance level (RETL)
- EOTL
